Am I still hallucinating??

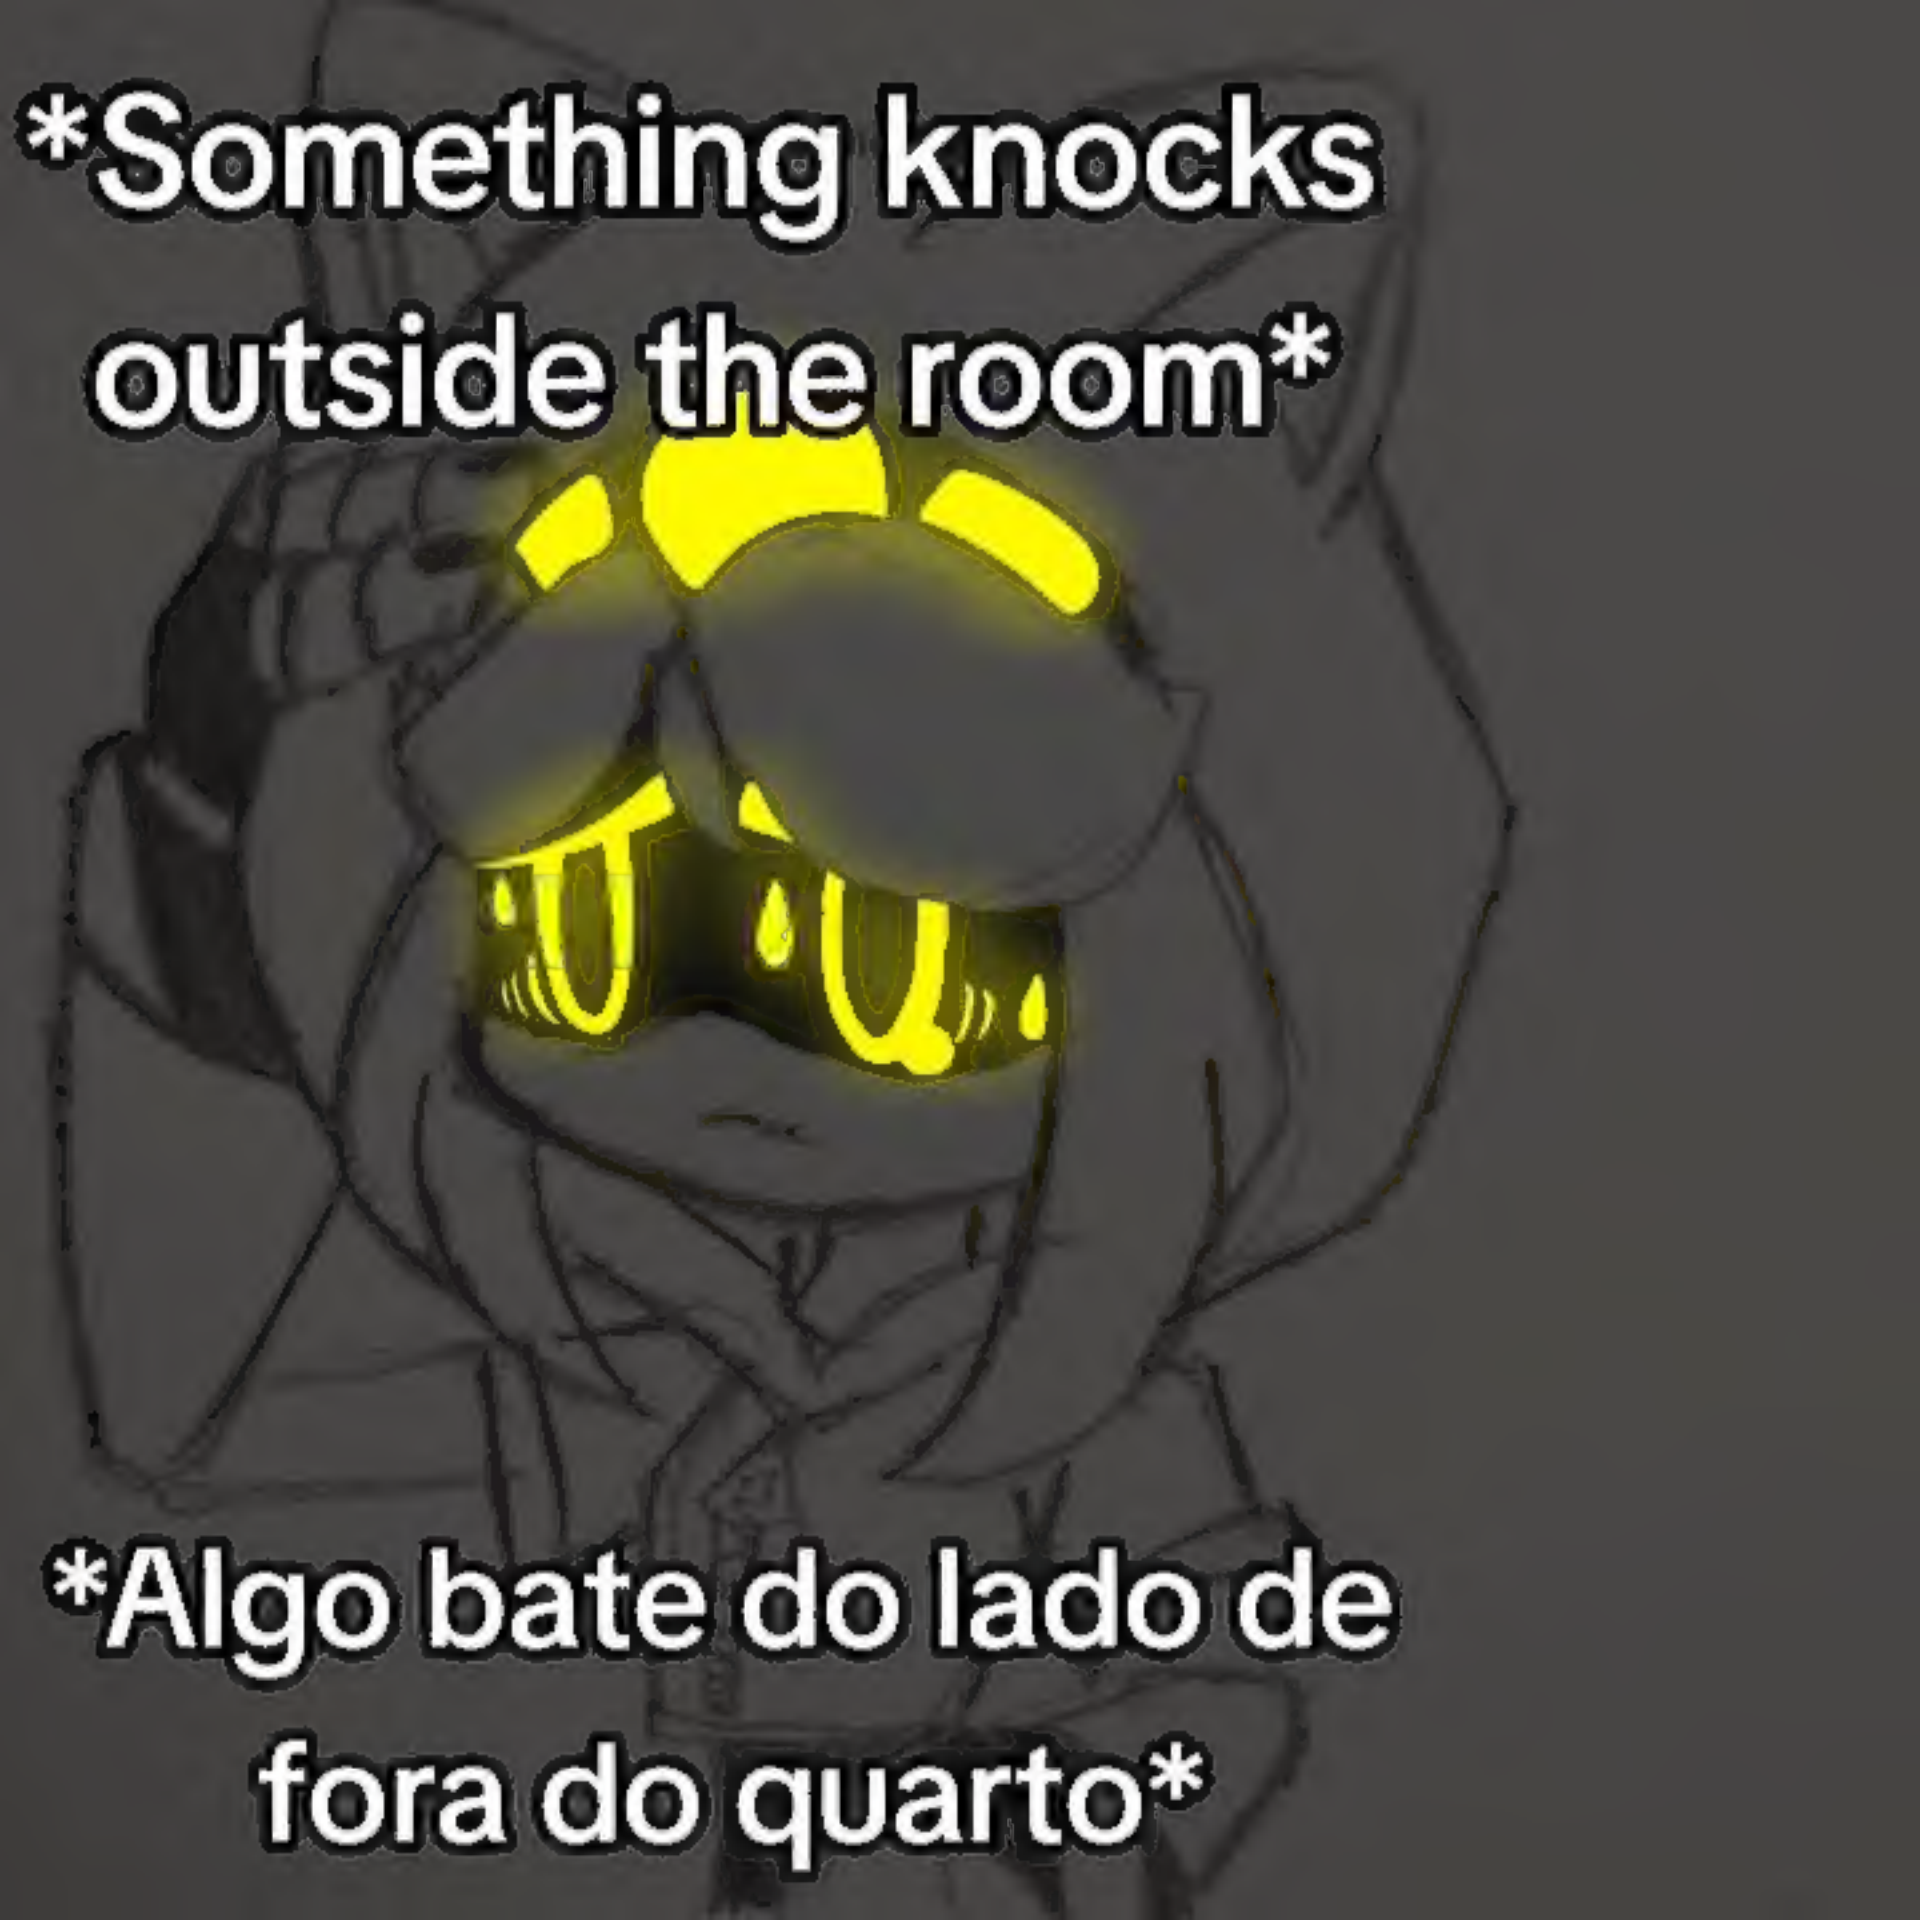
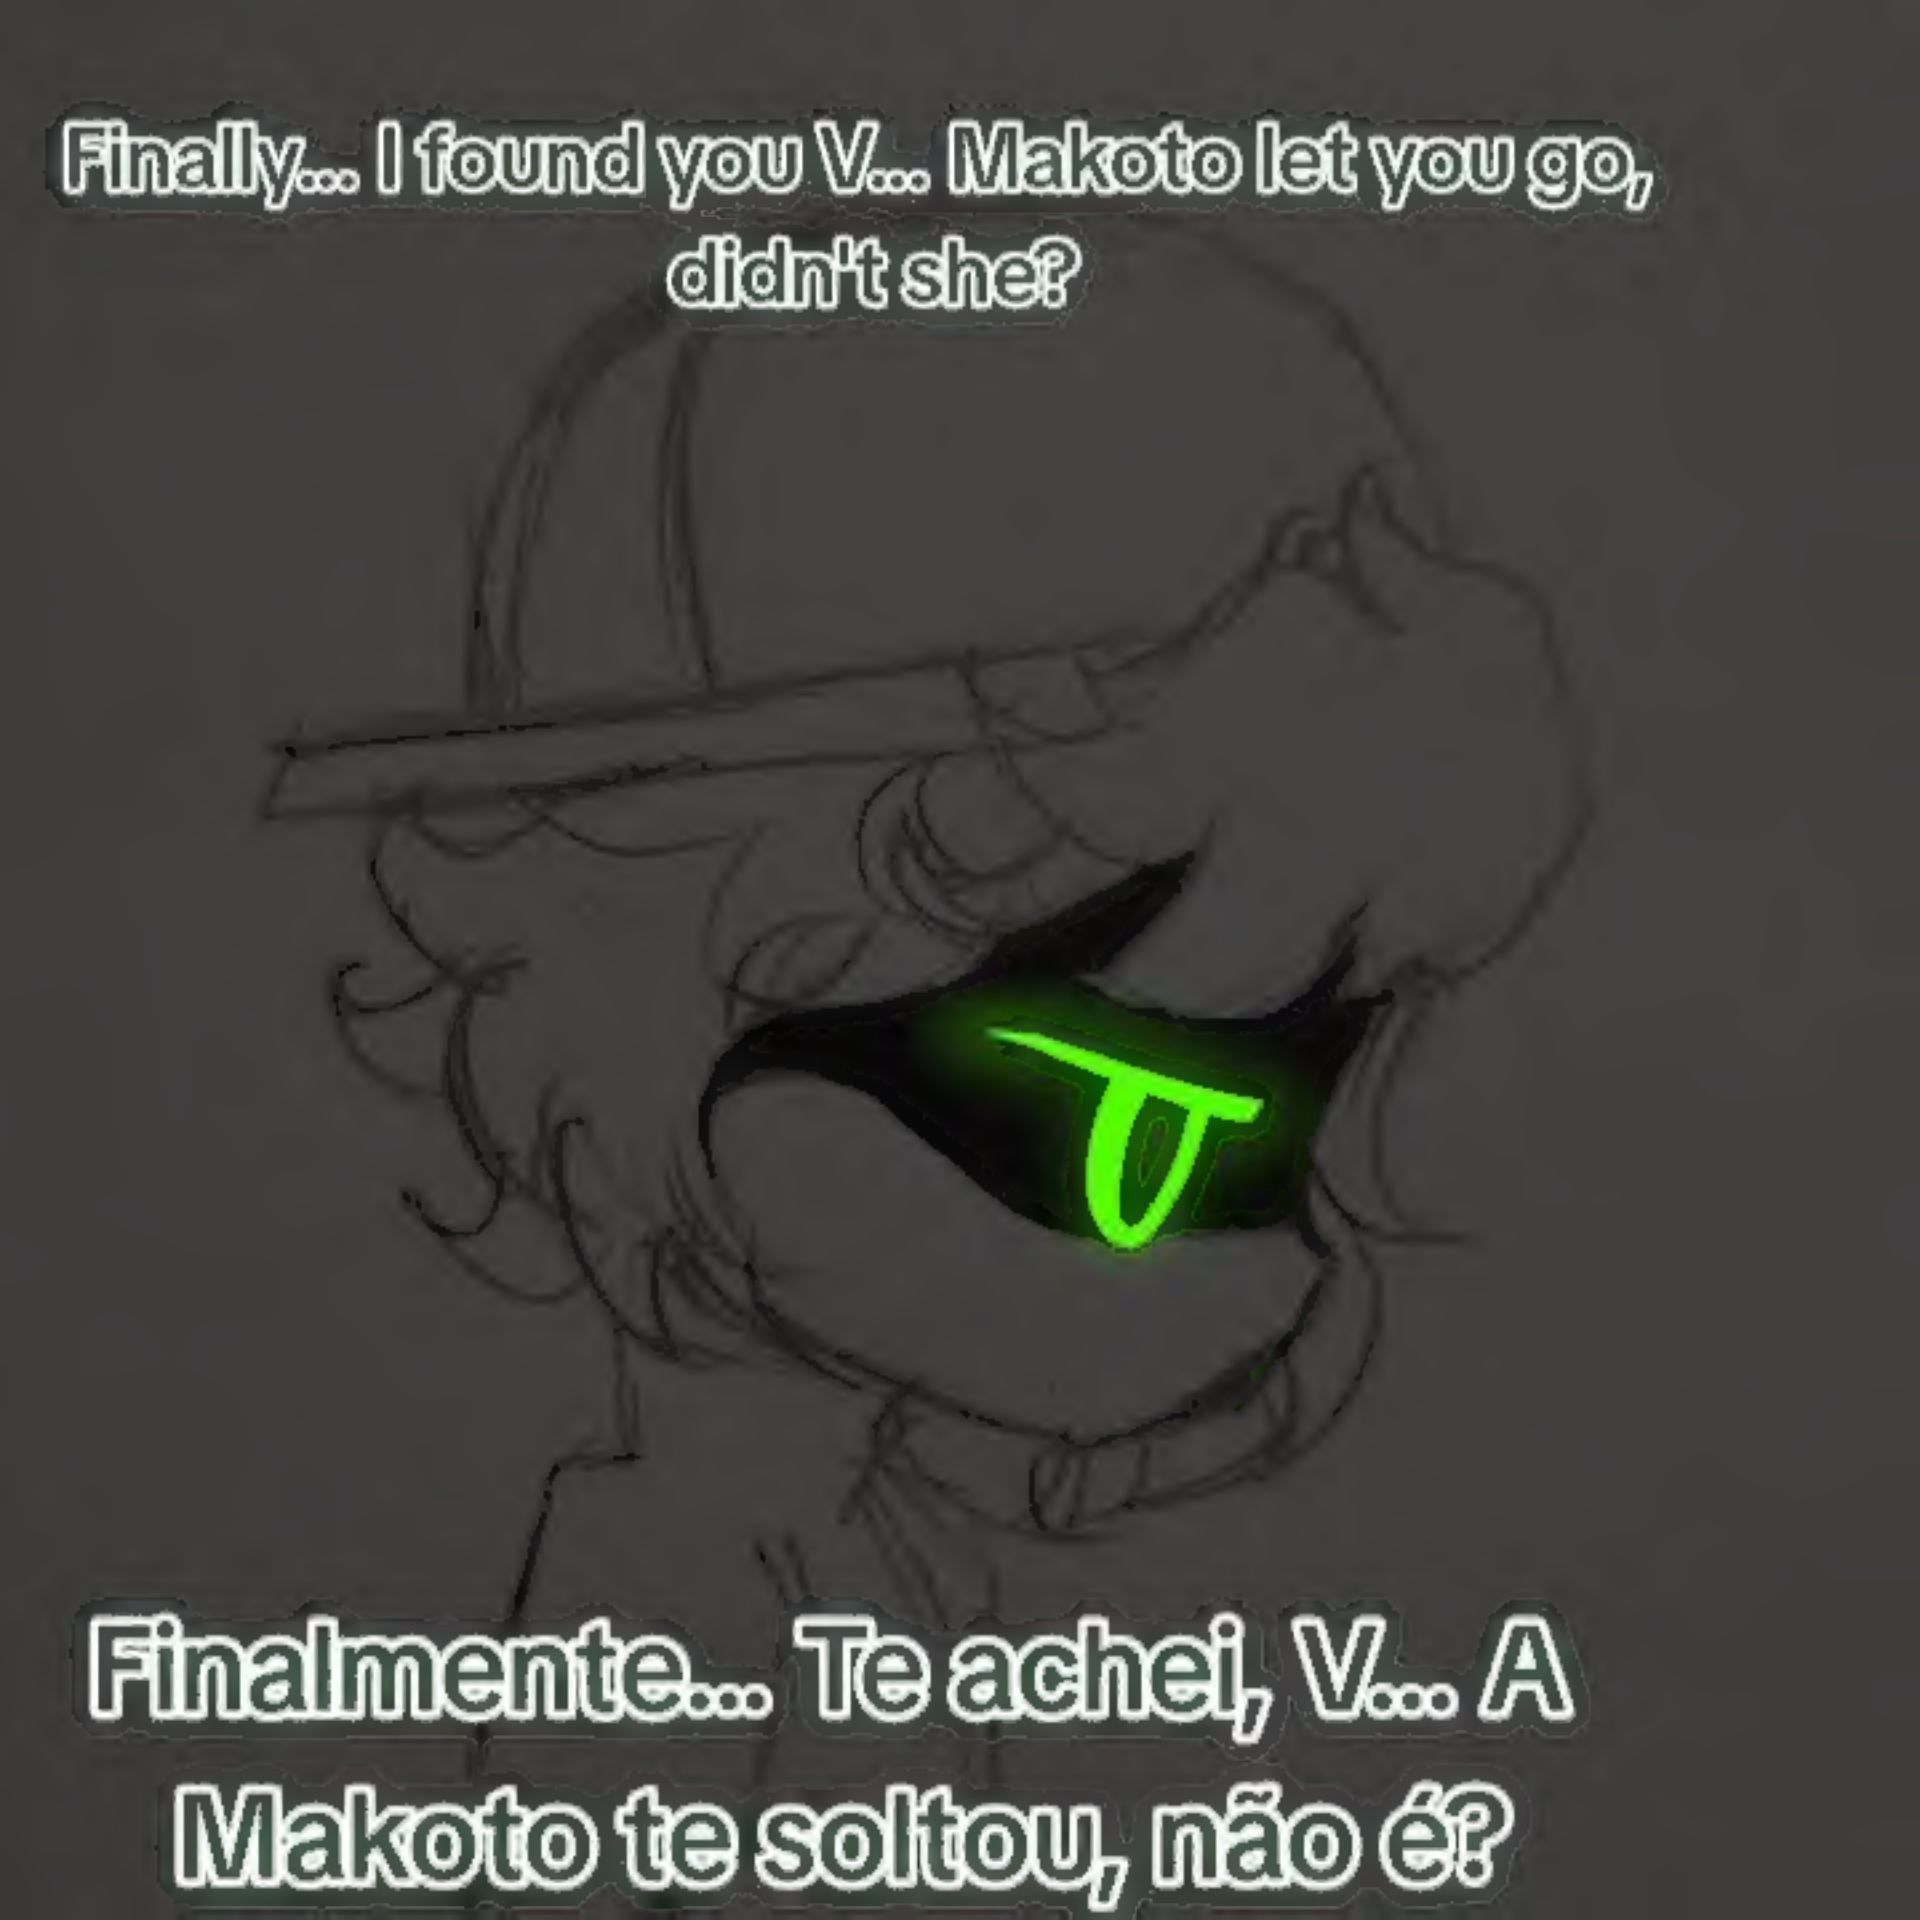
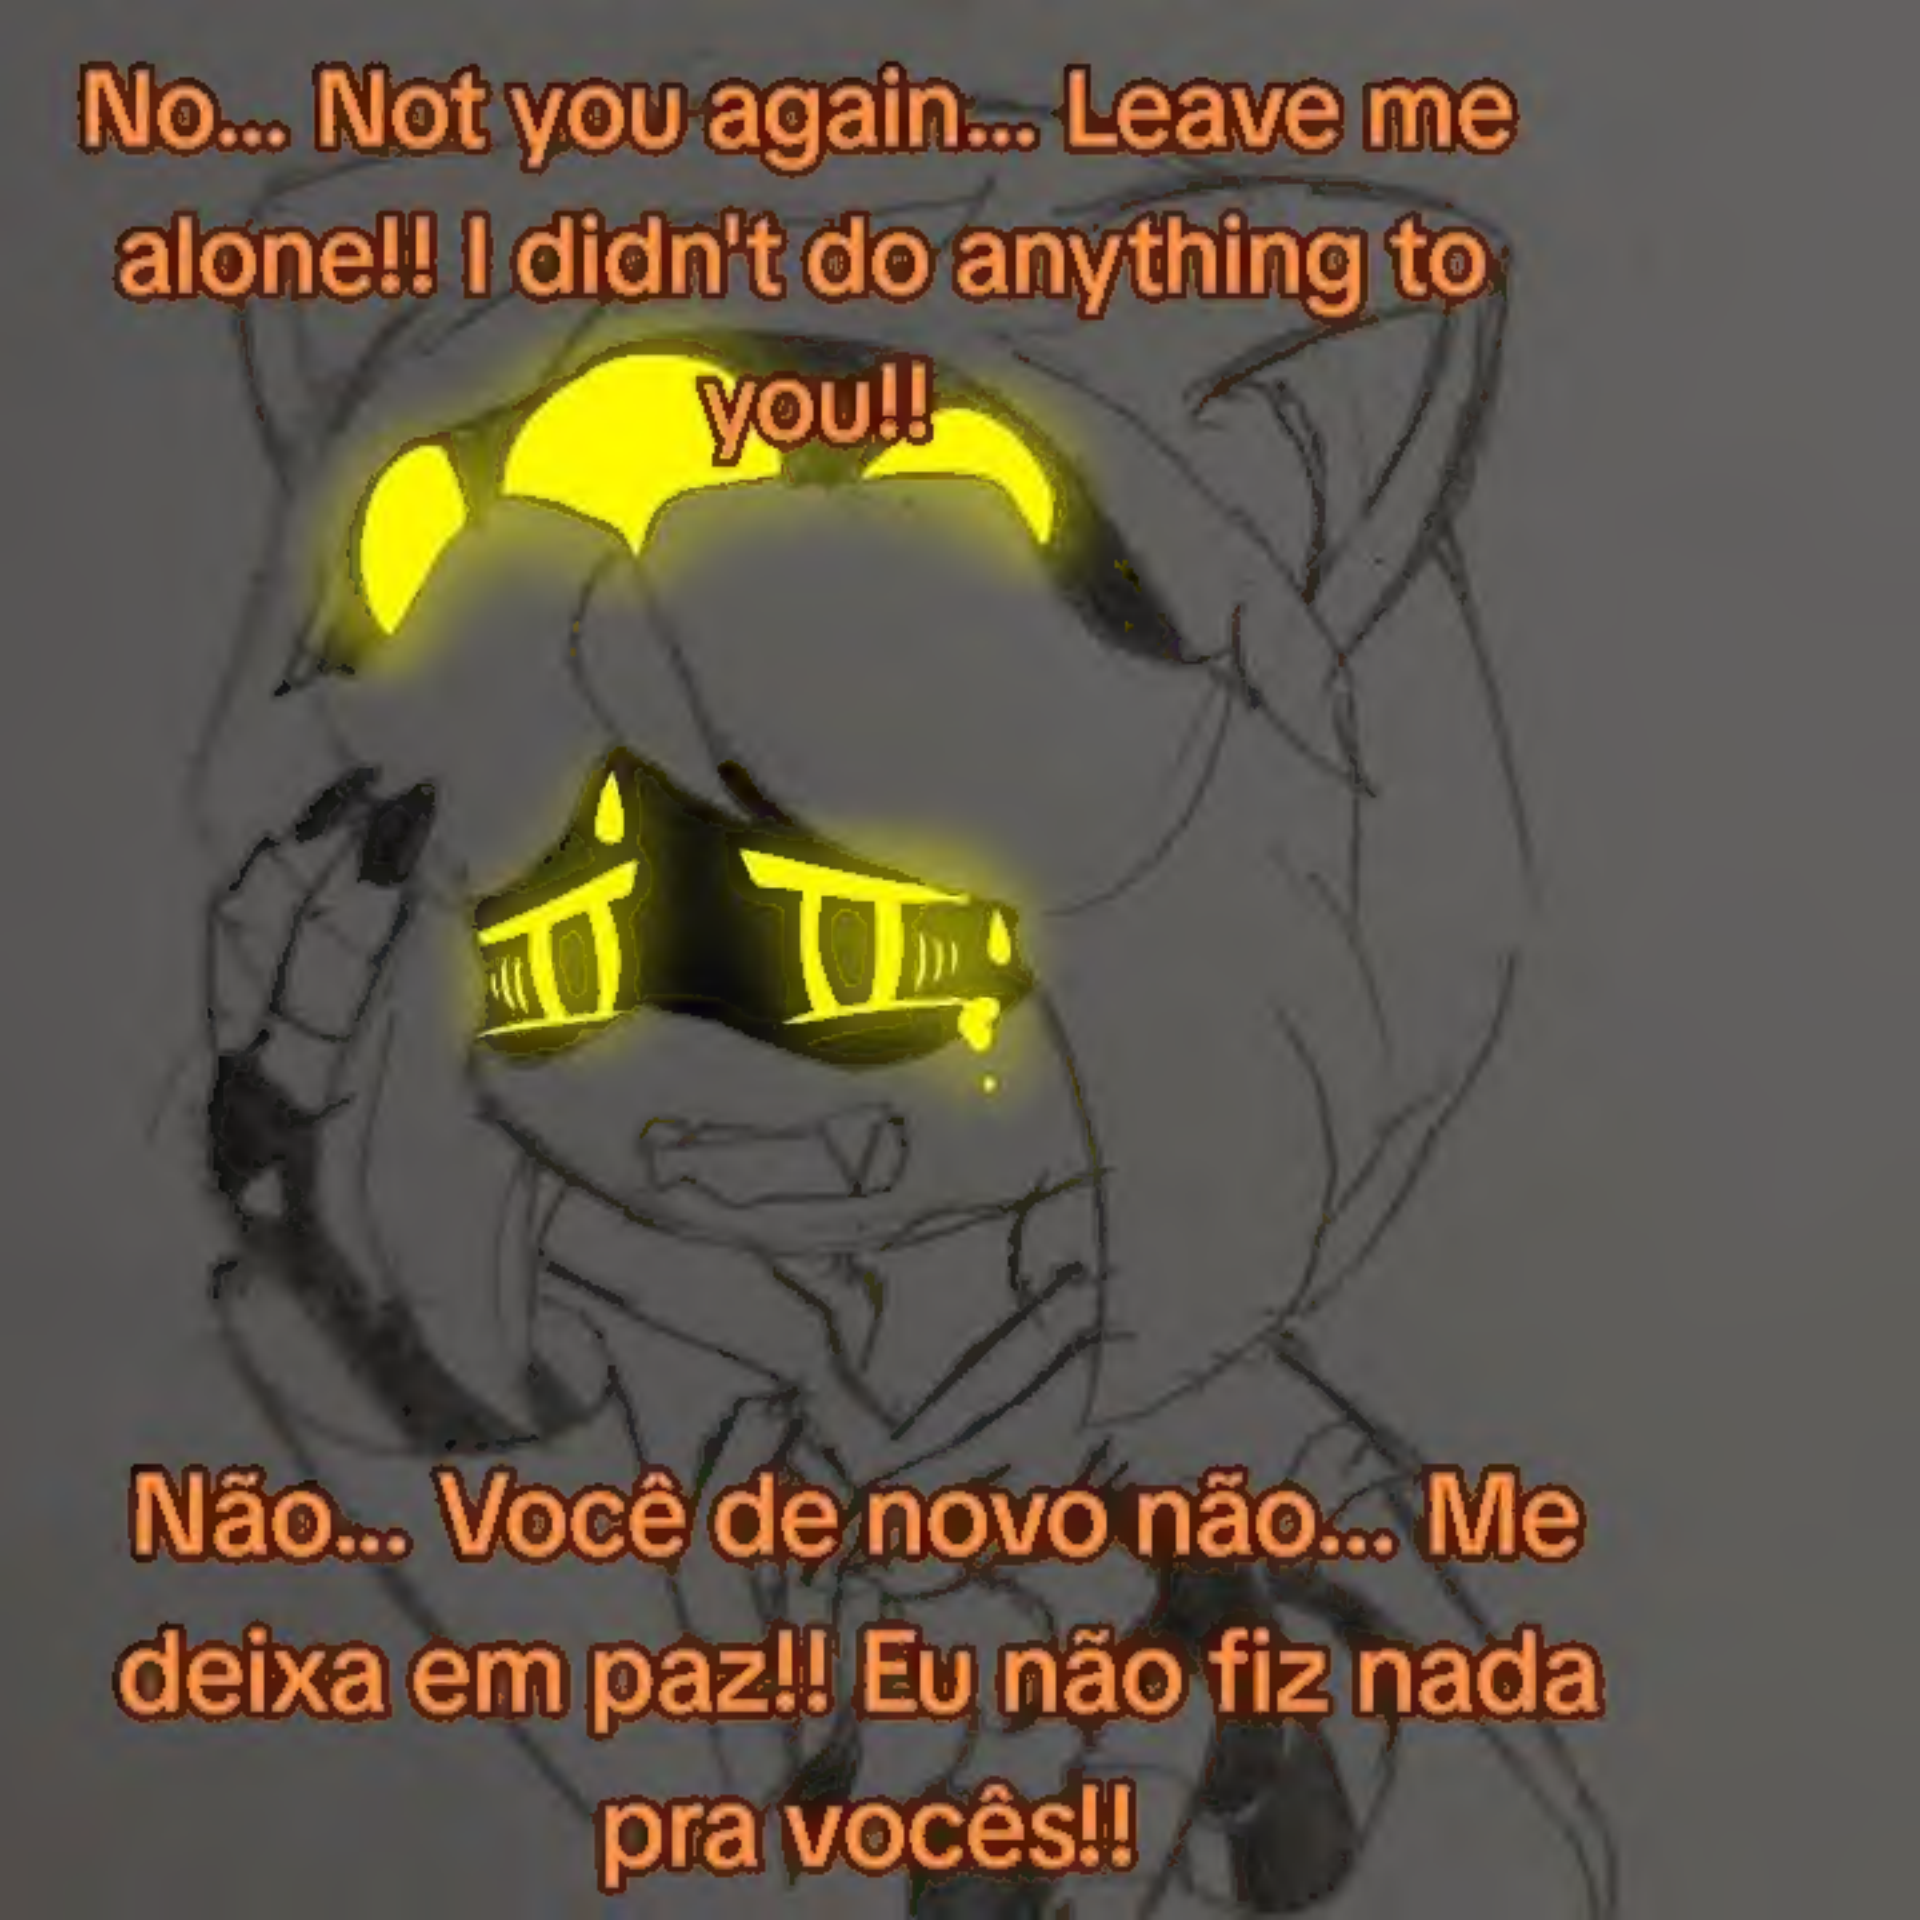
Something knocks outside the room



Algo bate do lado de fora do quarto

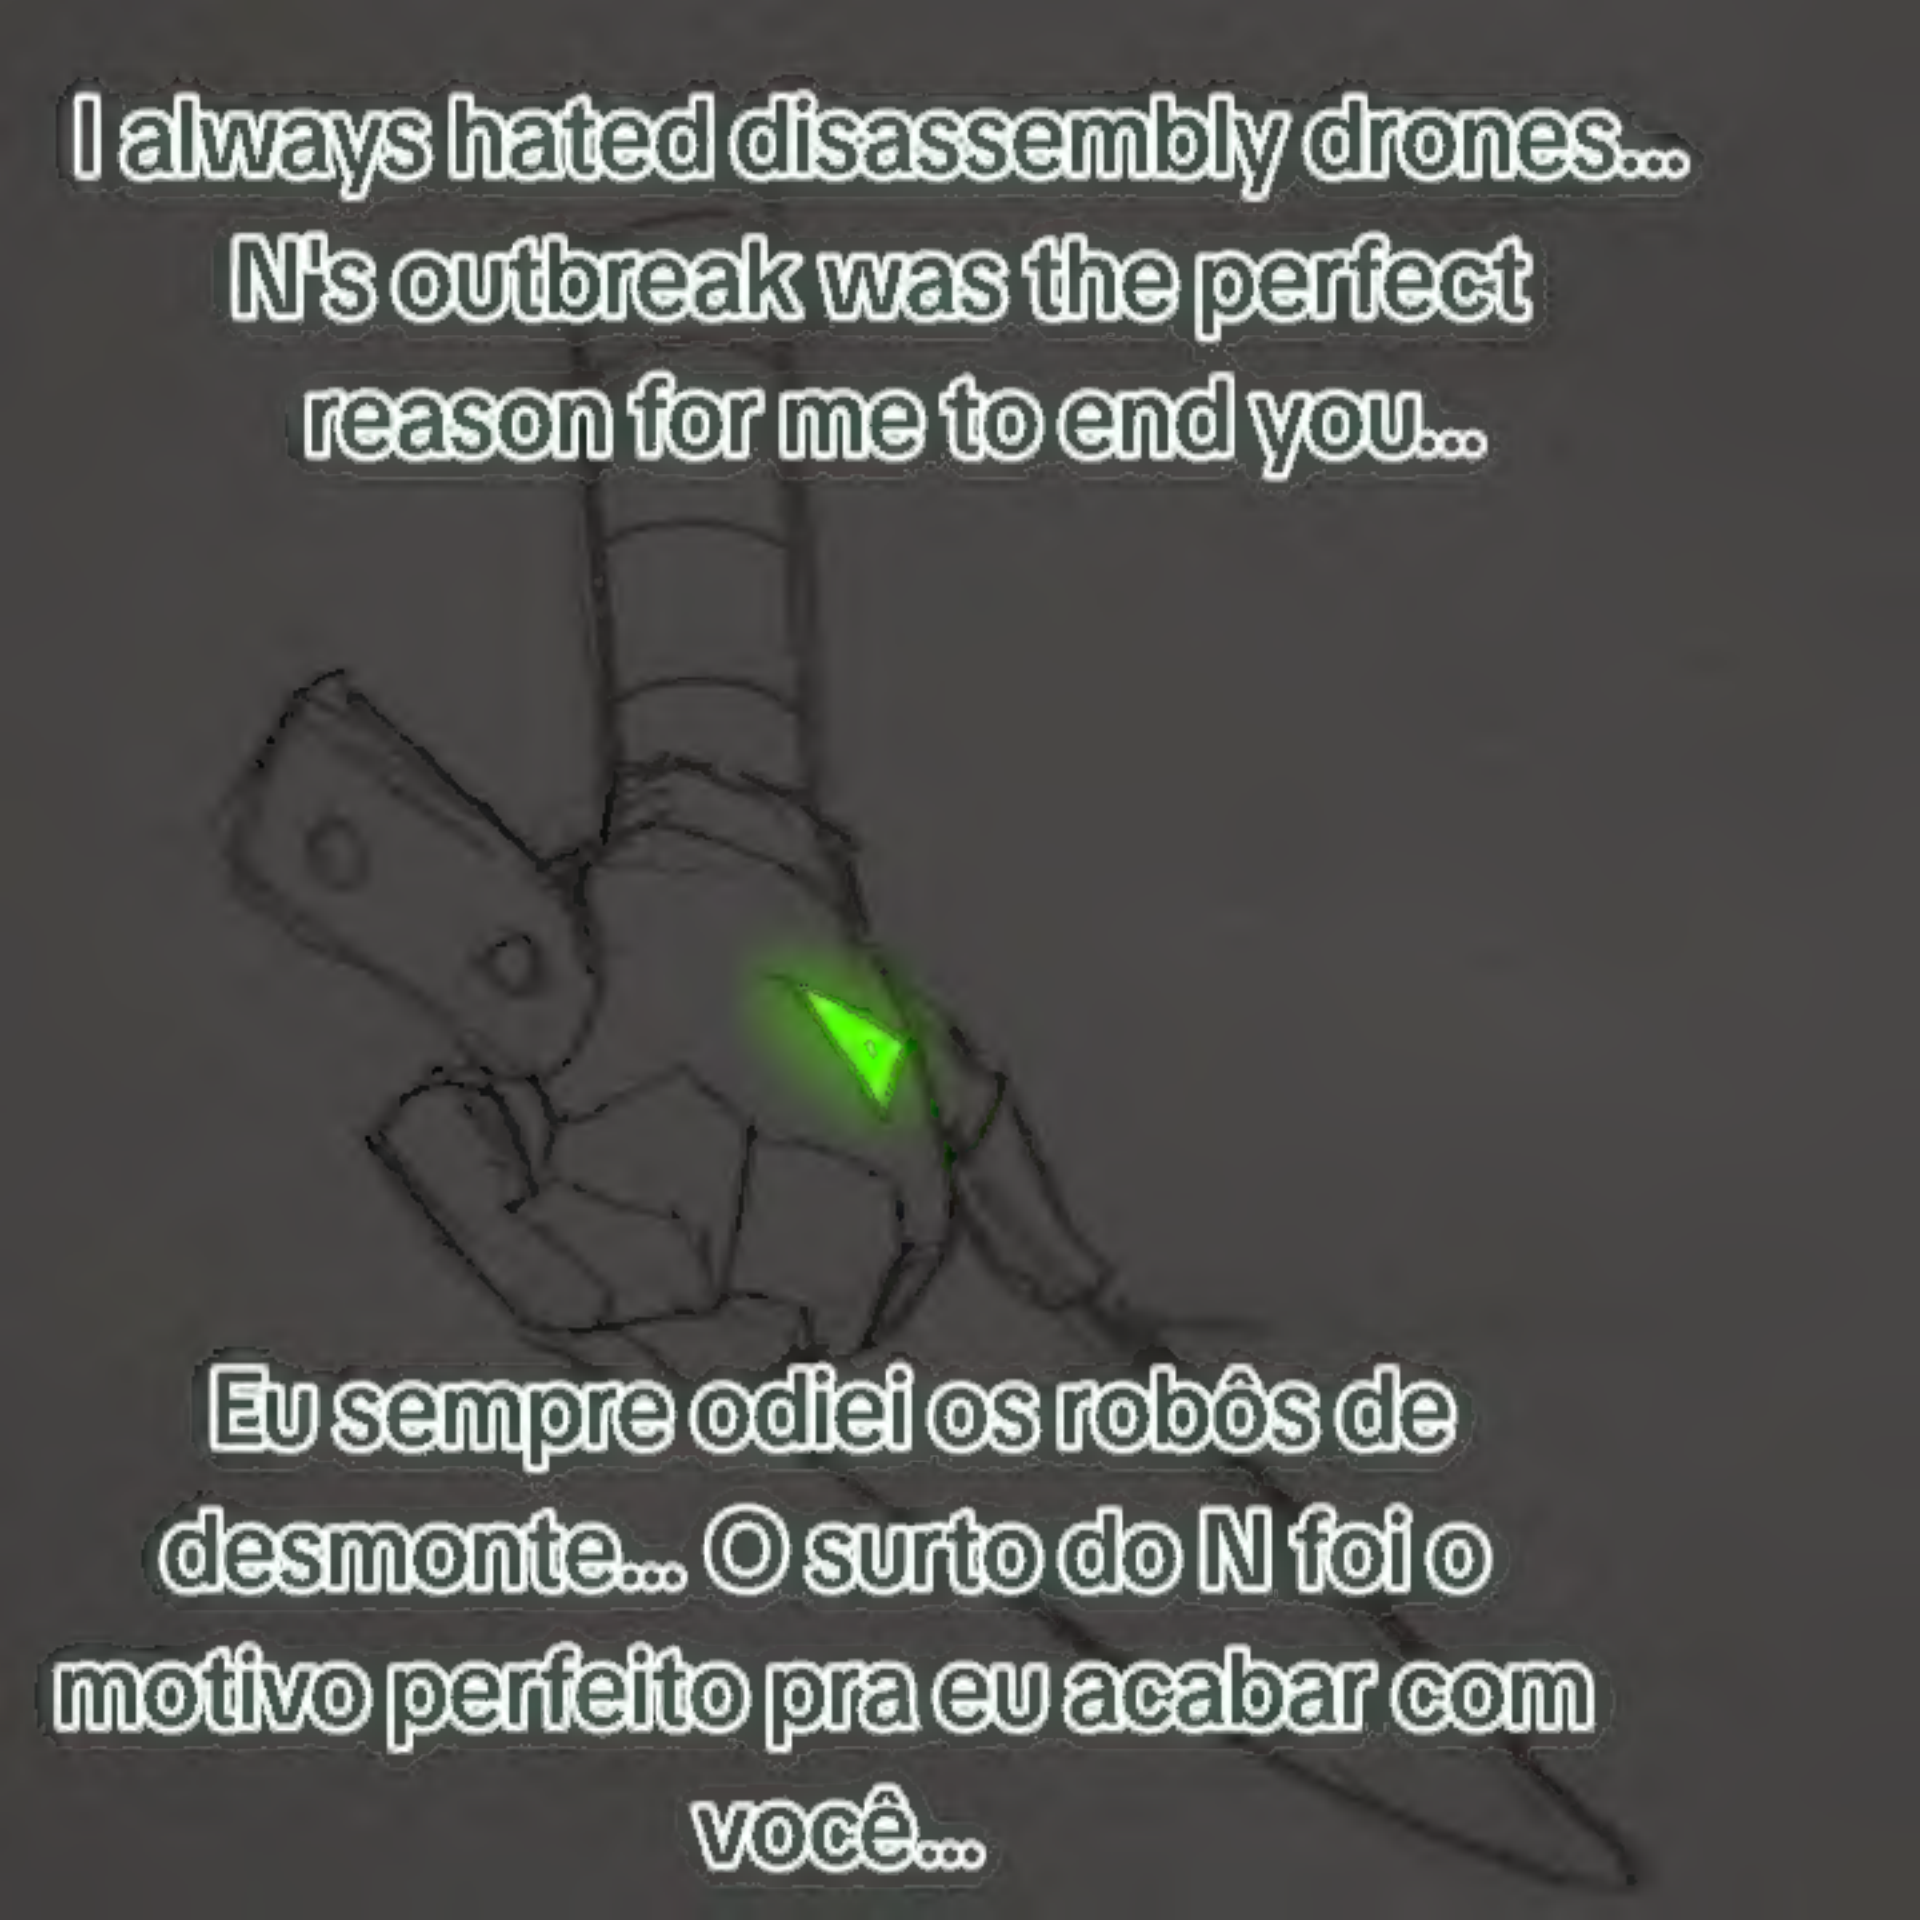


Finally... I found you V... Makoto let you go, didn't she?
Finalmente... Te achei, V... A Makoto te soltou, não é?



No... Not you again... Leave me alone!! I didn't do anything to you!!
Não... Você de novo não... Me deixa em paz!! Eu não fiz nada pra vocês!!

I always hated disassembly drones...
N's outbreak was the perfect
reason for me to end you...



Eu sempre odiei os robôs de
desmonte... O surto do N foi o
motivo perfeito pra eu acabar com
você...

Thad entered Makoto's room and pierced V's stomach with the knife

Arh... I saved this colony!! Why do you hate us so much?!
Arh... Eu salvei essa colônia!! Por que você nos odeia tanto?!

If I wanted to k*ll you... I would have done it that time you tried to hurt Makoto!!

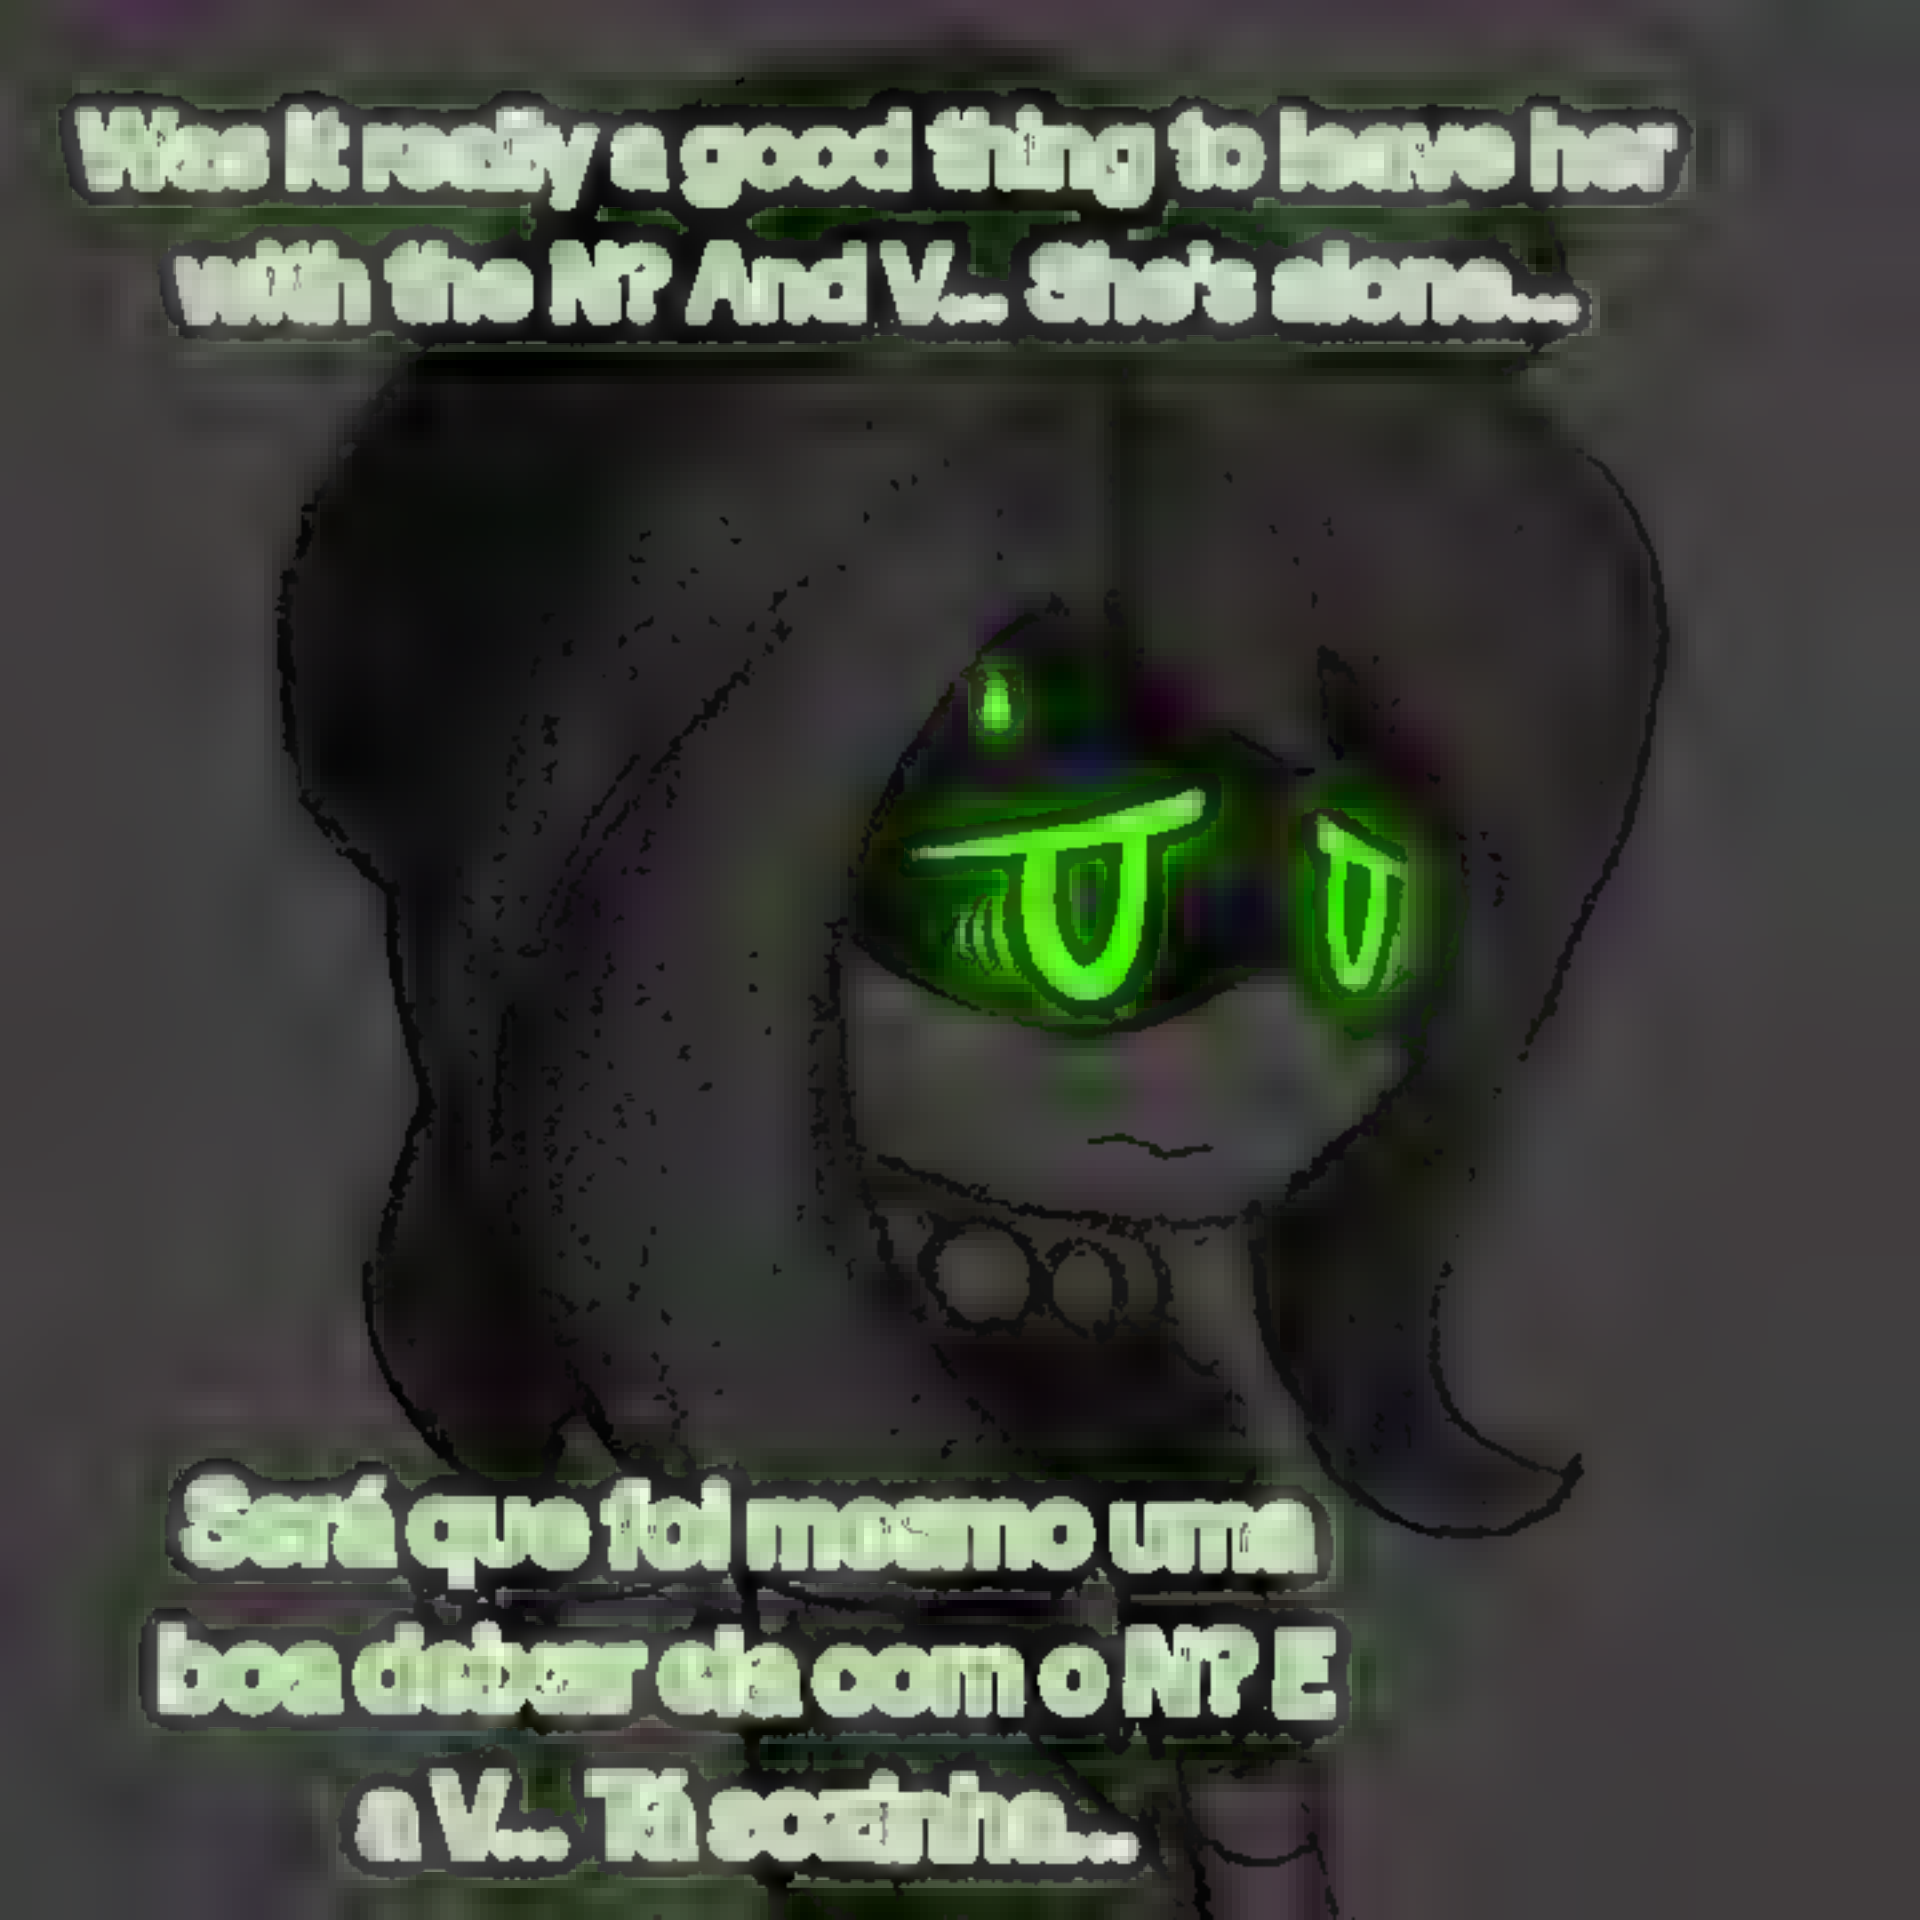
Se eu quisesse te mat*r... Eu teria feito isso aquela vez que você tentou machucar a Makoto!!

*While this was happening,
Makoto ran away from N and Cyn
to a nearby room*

*Enquanto isso acontecia,
Makoto fugiu de N e Cyn
até uma sala próxima*

I'm sorry I failed to protect you, Cyn... But I know N will take care of you...

Me desculpa eu ter falhado em te proteger, Cyn... Mas eu sei que o N vai cuidar de você...



Was it really a good thing to leave her with the N? And V... she's alone...
Será que foi mesmo uma boa deixar ela com o N? E o V... Tá sozinha...

I hope she's okay...
Espero que ela esteja bem...

Come here Makoto! It's me, Uzi!

Vem cá Makoto, sou eu, Uzi!
